FRONT END WEBSITE DEVELOPER (REACT JS)

I am a dedicated and detail-oriented Front-End Web Developer with a strong passion for crafting high-quality, responsive, and visually appealing websites. I specialize in converting PSD and Figma designs into clean, pixel-perfect, and SEO-friendly HTML code, ensuring an exceptional user experience. I thrive in fast-paced environments, adapt quickly to challenges, and am always eager to learn and implement the latest web technologies.

SKILLS

- React JS
- Tailwind CSS 4
- Bootstrap
- Git / Github

- Node JS
- HTML 5
- Page Optimization & Speed

- Mongo DB
- CSS
